

JANMEJAYA NANDA

Java Full-Stack Developer | Spring Boot | JWT Security | React | MySQL | REST Web Services

+91-8260674792 | janmejayananda326@gmail.com | Bhubaneswar, Odisha | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Results-driven Java Full-Stack Developer (MCA 2026, CGPA: 8.31/10) with proven experience designing and building efficient, reusable Spring REST APIs using Spring Boot, JWT Security, and MySQL. Skilled in architecting modular backend systems with 13-domain package structure, implementing role-based access control, global exception handling, and deploying production-ready full-stack applications on cloud platforms. Strong analytical, debugging, and problem-solving skills with a focus on clean, maintainable, and scalable code.

PROJECTS

Placement Automation System April 2026 – May 2026
[Java](#) | [Spring Boot](#) | [Spring Security](#) | [JWT](#) | [Spring REST](#) | [React](#) | [MySQL](#) | [JPA/Hibernate](#) | [Maven](#) | [Render](#) | [Netlify](#)

- Architected a production-grade **modular monolith** with **13 domain packages** (student, company, job, auth, security, notification, admin, role, config, exception, util) — enterprise-level separation of concerns.
- Implemented **JWT-based stateless authentication** with Spring Security — separate auth and security layers for token generation, filter chain validation, and **role-based access control** (Student & Recruiter).
- Designed **10+ Spring REST APIs** with JSON handling across all modules following strict **3-layer architecture** (Controller → Service → Repository) for reusable, testable Java code.
- Built **global exception handling** via `@ControllerAdvice` with custom error DTOs — consistent, production-grade HTTP responses across all endpoints.
- Proactively **identified and fixed bugs** using IntelliJ IDEA and Postman; modelled complex entity relationships with JPA (`@OneToMany`, `@ManyToOne`, `@JoinColumn`).
- Deployed complete production stack — backend on **Render**, React frontend on **Netlify** — with role-aware protected routing and Axios-based API integration.

[Live Project](#) [GitHub](#)

Task Management System Jan 2026 – Feb 2026
[Java](#) | [Spring Boot](#) | [Spring REST](#) | [React](#) | [MySQL](#) | [JPA/Hibernate](#) | [Maven](#) | [JSON](#)

- Developed a full-featured task management app to create, assign, prioritise, and track tasks — built with **efficient, reusable Java code** and clean architecture principles.
- Designed Spring REST APIs with **JSON-based communication**, strict **3-layer architecture**, and JPA entity relationships (`@ManyToOne`, `@JoinColumn`) with MySQL including joins and stored procedures.
- Added **server-side input validation**, documented all API endpoints, and connected React frontend via Axios for seamless real-time task updates.
- Applied **global exception handling** for meaningful error feedback; managed build and dependency lifecycle using **Maven**.

TECHNICAL SKILLS

Backend

Java, Spring Boot, Spring MVC, Spring Security, JPA/Hibernate, Spring REST, JWT Authentication, Microservices, Redis, Kafka

Frontend

React, JavaScript, HTML5, CSS3, JSON, XML, Bootstrap, Tailwind CSS

Database

MySQL, PostgreSQL, MongoDB — CRUD, Joins, Stored Procedures, Triggers, Events

Tools & Platforms

Maven, Git, GitHub, Postman, IntelliJ IDEA, VS Code, Render, Netlify, Agile/SDLC

SOFT SKILLS

- Analytical Problem Solving
- Team Collaboration
- Communication
- Time Management

AREAS OF INTEREST

- Backend System Design & REST API Architecture
- Spring Security & JWT Authentication
- Full-Stack Web Application Development
- Cloud Technologies & Deployment
- Distributed Systems & Microservices
- Data Structures & Algorithms

CERTIFICATIONS

- Web Development** – Cognifyz Technologies (2024)
Java, HTML, CSS, JavaScript, MySQL
- Web Dev Training** – TechoHacks EduTech (2024)
Frontend & Backend Fundamentals

EDUCATION

MCA Nalanda Institute of Technology, Odisha CGPA: 8.31/10	2024 – 2026
BCA MITS School of Biotechnology, Odisha CGPA: 7.0/10	2021 – 2024
+2 Science Sriram Higher Secondary School, Odisha 74%	2019 – 2021

DECLARATION

I hereby declare that all information provided above is true and correct to the best of my knowledge and belief.
